

ACCESSING THE PROFESSIONAL ONLINE BANKING SERVICE

To access the Professional Online Banking Service (POBS), your dedicated Security Manager will need to call our Client Services team on 44 (0)1624 645000. Upon successful identification, your Security Manager will provide authority for us to supply you with a username, password and personal verification number (PVN).

LOGGING ON FOR THE FIRST TIME

- 1 Open a web browser and type in:
<https://pobs.nedsecure-int.com>

- 2 Type in the username and password provided to you by our Client Services team. Click 'Logon.'
Your account will be locked out after three unsuccessful attempts. If this occurs, please request your nominated Security Manager to contact our Client Services team.

REGISTERING YOUR TOKEN

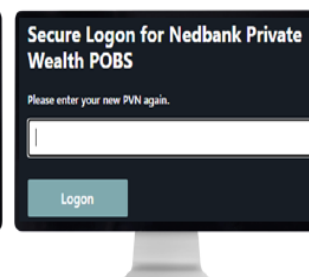

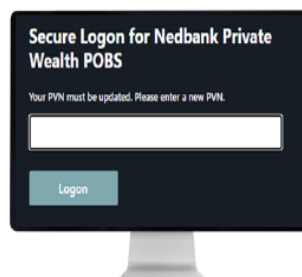

- 1 Ensure the serial number on the back of your Entrust token matches the number displayed on screen.

- 2 Press the button on your token and an 8-digit code should appear on the screen.

- 3 Enter your 4-digit PVN provided by our Client Services team, immediately followed by the 8-digit code displayed on your token (no spaces).
Example: 123412345678.
Your account will be locked out after three unsuccessful attempts. If this occurs, please request your nominated Security Manager to contact our Client Services team.

- 4 Select a new 4-digit PVN of your choice and click 'Logon'. You will be asked to re-enter your PVN again. Click 'Logon'. If the PVN attempts match, you will be taken to your Professional Online Banking menu screen.
