Bespoke competitive rates

Lending consistently since 1987, across all economic cycles, we focus on addressing your individual circumstances, tailoring the loan according to your profile, loan terms and security.

You benefit from our low-g geared balance sheet and long-term view, as well as a broader discussion of your finances. We do not ask for investments to be transferred to us as a condition of lending unless the loan is secured against those investments.

We offer:

- Interest only or repayment options
- Fixed and variable interest rates
- Lending in GBP, USD or EUR
- Lending secured on property in the UK, IOM and Jersey, where the purchaser or beneficiary will occupy the property
- Assistance to buy UK buy-to-let investment properties

- Equity can be released from investments where these are held on or transferred to our platform.
